
Education

Pasadena City College Intent Transfer Fall 2024 Computer Science, 4.0 GPA	Pasadena, CA 2022 - Present
Arcadia High School High School Diploma 4.3/4.0 GPA	Arcadia, CA 2018-2022

Coursework:

Math: Single Variable Calculus I & II, Multivariable Calculus, Linear Algebra, Discrete Math, Differential Equations

Computer Science: Fundamentals of Computer Science I & II (C++), Data Structures and Algorithms

Projects:

Graphing Calculator:	2023
-----------------------------	------

Utilized SFML graphics library in C++ to create a graphing calculator with graphics. Used a variety of data structures to sort and calculator elements needed to graph equations. Designed the functions of zooming, panning, graph history, and restoration of previous graphs.

Work Experience:

Server - Menya Hanabi:	2022 – 2023
-------------------------------	-------------

Learned to work in teams under pressure. Focused on driving up sales while providing quality service. Kept records of all sales using Microsoft Excel sheets.

Volleyball Coach - San Gabriel Elite VBC:	2023-Present
--	--------------

Learned how to communicate with individuals of all ages. Spearheaded teams to success in short amounts of time.

Technical Skills:

Frontend: HTML/CSS
Backend: C++, Python, Java

Activities:

Pasadena City College Track and Field	2022 - 2023
Engineering Competition Society Secretary	2023-Present
Varsity High School Volleyball Captain	2020-2022
Varsity High School Track and Field Captain	2021-2022
High School Esports Club President	2021-2022
